Other inspection regulations:

1. The regulated input code of the listed commodities is C02.
2. The listed commodities include the toy part of the toy and food part prescribed in the Announcement (89) No. 89316263, MOEA on 4 October 2000..
3. As to enable the inspection obligatory applicant to realize the applicable C.C.C. Code of the toy commodities, some C.C.C. Codes of toy commodities are listed on the specification; however, it is impossible to list all of them for the numerous kinds of toy commodities; therefore, the applicable extent is confined to the extent prescribed in the national standards CNS 4797. Moreover, due to the diverse sizes and materials of toy commodities, C.C.C. Codes may fail to be applicable to some toy commodities. Since C.C.C. Codes involve in the custom tariff rate, the determination of C.C.C. Codes will comply with the recognition of the Commodity Classification Commission, the Bureau of Foreign Trade, the Ministry of Economic Affairs and the Directorate General of Customs, the Ministry of Finance.
4. The charge of the test of the listed commodities is assessed pursuant to the Measures Governing Commodity Inspection Charges.
5. Other relevant provisions are handled in accordance with the Regulations Governing the Inspection of Toy Commodities.
6. The inspection standards of the listed commodities conform to the latest version when the Announcement is promulgated. If any supplement or amendment occurs, the BMSI will implement the latest version on another date.
